

Manor Park Community Association

Manor Park is an engaged, caring and sustainable community.

Core Values

Inclusivity and Respect

We are committed to respect and respond to the perspectives, values and needs of our diverse individuals, groups and communities.

We foster respect among members of our community and in our interactions outside the community.

Voice

We endeavour to represent all areas of Manor Park when we advocate for our residents interests.

Capacity Building and Community Engagement

We provide opportunities for residents and Manor Park organizations to build skills, create relationships and partnerships in order to contribute to Manor Park's quality of life.

Collaboration

We join with other Community Associations, organizations and businesses to leverage our assets and capacity in order to achieve shared goals.

Sustainability and Development

We work to protect and enhance the sense of place and community and the uniqueness on Manor Park.

We support the initiatives of residents to maintain and protect our green areas.
